Sy Tsi, M.D.

Diplomate of the American Board of Urology

Dr. Tsi received his undergraduate degree from the **University of California at Los Angeles**. He then attended medical school at the **University of Minnesota**, where he also completed his Urology Residency. He is **Board-Certified** by the **American Board of Urology**.

Dr. Tsi specializes in **Female Urology, Men's Health, Urological Malignancies, and Laparoscopic Surgery**. He has special interest and training in the treatment of prostate cancer and enlargement with non-invasive prostate procedures (**Laser Vaporization, Cooled Thermo- Therapy Microwave, TUNA, Cryo- ablation, and Radioactive Seed Implantation**). Dr. Tsi also specializes in non- invasive female urological procedures (vaginal sling), laparoscopic kidney surgery, endo-urology for stone disease and male infertility. He has numerous publications and regularly speaks at various meetings.

Physicians at the Urology Center of Southern California are committed to excellence in serving the healthcare needs of patients in our community. We are contracted with nearly all major health plans and Preferred Provider Organizations (PPO). For more information, please contact our office.
