Edward J. Yun, M.D.

Diplomate of the American Board of Urology

Dr. Edward J. Yun earned his medical degree from **Columbia University in New York**. He then completed a six-year residency in surgery and urology at the **University of California, San Francisco**. He is **Board Certified** by the **American Board of Urology**.

Dr. Yun specializes in **laparoscopic surgery** for urologic malignancies, and **minimally invasive procedures** for conditions such as prostate enlargement, kidney stones, urinary incontinence, and male infertility. He is currently **Chief of Urology** at Riverside Community Hospital, a position for which he was elected by his peers.

Dr. Yun has published numerous articles and book chapters in the fields of laparoscopy and oncology. As a urology faculty member, he teaches residents and medical students, and lectures regularly on the topics of erectile dysfunction, overactive bladder, and conditions involving the prostate. A strong advocate for his patients, Dr. Yun received the prestigious 2009 "Patients' Choice Award", a national distinction. He also serves as an expert witness in medicolegal cases involving urologic issues.

Physicians at the Urology Center of Southern California are committed to excellence in serving the healthcare needs of patients in our community. We are contracted with nearly all major health plans and Preferred Provider Organizations (PPO). For more information, please contact our office.
